Criminal and Disciplinary Background Supplement with Affirmation Statement

Behavioral Disclosure

Indiana University is committed to maintaining a safe learning environment. As part of that commitment, we require applicants to disclose if they:

- have been subject to formal disciplinary action (including for example, but not limited to, suspension or expulsion) for a violent offense or sexual misconduct at any high school, post-secondary institution, college or university;
- have been charged with or convicted of a crime (or a foreign legal equivalent) that has not been expunged by a court; and/or
- have engaged in behavior that caused injury to person(s) or personal property (including for example, but not limited to, vandalism or behavior that led to a restraining order against you) which resulted in some sort of formal discipline or intervention.

A previous disciplinary action, charge, conviction or conduct of the sort identified here does not automatically disqualify applicants from admission to Indiana University, but they do require review by the campus admissions committee.

PLEASE NOTE: By submitting your application to Indiana University, you acknowledge and agree that you have a continuing obligation to inform the University of:

- any formal disciplinary action at an educational institution;
- any legal charges and/or convictions (or foreign legal equivalents) that have not been expunged by a court; and/or
- any behavior that causes injury to person(s) or property that results in some form of discipline or intervention.

You must provide updated information to the campus admissions committee prior to class attendance. At that time, the campus admissions committee will review the information provided and may consider whether to delay or rescind your admission to the University.

If you answered "Yes" to any of the questions above, please provide an explanation and attach any relevant documentation. We will follow up with you if additional documentation is required to make an admission decision.

Affirmation Statements: I certify that I am the applicant and that all statements on this application are correct and complete, including a list of all schools attended. I understand that a) withholding pertinent information requested on this application; b) giving false or incomplete information; and/or c) failing to disclose disciplinary action or criminal activity, as outlined in the "Criminal Activity Disclosure" section of this application, constitutes grounds for immediate withdrawal of my application from further consideration and cancellation of my admission and/or registration. I understand that providing false information could also impact the classification of tuition residency status for fee-paying purposes and scholarship eligibility. I grant my permission to officials at all institutions and agencies to release information needed by IU to substantiate statements I have made in my application and my explanation.
